

UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in Clinical Dentistry (Operative Dentistry) to be held on **Wednesday, 4th March 2020**, at **10:00 a.m.** in University of Health Sciences, Lahore.

AGENDA

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
1.	Dr. Tabassum Younas Khan M.D.S (Operative Dentistry) (Revised)	Prof. Sohail Abbas Khan Principal Avicenna Dental College Lahore	A comparison study of microleakage in nano hybrid composites with zirconomer and cention N used as restorative materials
2.	Dr. Wajiha Khalid M.D.S (Operative Dentistry)	Prof. Sohail Abbas Khan Principal Avicenna Dental College Lahore	Comparison of antibacterial efficacy of turmeric and turmeric mixed with calciumhydroxide as an intracanal medicament: An invivo study
3.	Dr. Zain Rafiq M.D.S (Operative Dentistry)	Prof. Sohail Abbas Khan Principal Avicenna Dental College Lahore	To compare histological inflammatory response of human dental pulp using poliquil (castor oil bean based cement), MTA and calcium hydroxide as direct pulp capping agents in primary molars
4.	Dr. Ambreen Zahra M.D.S (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Efficacy of turmeric as an intracanal medicament in permanent premolars against enterococcus faecalis: An in vitro study
5.	Dr. Mashal Mazhar M.D.S (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Bacteriological evaluation of formocresol, allium sativum oil and turmeric gel as a medicament for non-vital pulpotomy of primary teeth: A randomized controlled trial

UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in Clinical Dentistry (Operative Dentistry) to be held on **Tuesday, 5th January 2021**, at **11:00 a.m.** in University of Health Sciences, Lahore.

AGENDA

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
6.	Dr. Ambreen Zahra M.D.S. (Operative Dentistry) (Revised)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Comparative evaluation of anti-bacterial efficacy of mustard gel, calcium hydroxide paste and chlorhexidine gel as intra-canal medicaments against <i>Enterococcus faecalis</i> – An in-vitro study
7.	Dr. Mashal Mazhar M.D.S. (Operative Dentistry) (Revised)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Bacteriological evaluation of formocresol, <i>Allium sativum</i> oil and turmeric gel as a medicament for non-vital pulpotomy of primary teeth-A randomized controlled trial
8.	Dr. Fatima Nazar M.D.S. (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	A comparison of <i>Nigella sativa</i> oil and formocresol as pulp medicaments in non-vital pulpotomy in primary molars; A randomized controlled trial
9.	Dr. Iqra Jamal M.D.S. (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Treatment outcomes evaluation and comparison of <i>Azadirachta indica</i> (Neem) with Mineral Trioxide Aggregates (MTA) as pulpotomy agents in deciduous molars-A randomized controlled trial
10.	Dr. Tayyaba Ashraf M.D.S. (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Comparative evaluation of clinical and radiographic outcomes of triphala gel and calcium hydroxide as intra-canal medicaments: A randomized controlled clinical trial
11.	Dr. Shizah Shoaib M.D.S. (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Clinical and radiographic evaluation of <i>Zingiber officinale</i> (Ginger) and calcium hydroxide as obturating materials in root canal treatment of primary molars: A randomized controlled clinical trial
12.	Dr. Humaira Siddique M.D.S. (Operative Dentistry)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Histological evaluation of pulpal response and dentine bridge formation in rabbit's incisors after direct pulp capping with lithium chloride in comparison with calcium hydroxide

UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in Clinical Dentistry (Operative Dentistry) to be held on **Wednesday, 11th May 2022**, at **10:00 a.m.** in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
13.	Dr. Humaira Siddique (Revised)	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Histological evaluation of pulpal response and dentine bridge formation in rabbit's incisors after direct pulp capping with lithium chloride in comparison with calcium hydroxide
14.	Dr. Iqra Jamal (Revised)		Comparative evaluation of treatment outcomes of <i>Azadirachta indica</i> (Neem) with Mineral Trioxide Aggregates (MTA) as pulpotomy agents in deciduous molars- A randomized controlled trial
15.	Dr. Anam Rafiq		Comparison of treatment outcomes of two different combinations of antibiotics in regenerative endodontic procedure of immature non-vital permanent anterior teeth due to trauma: A Randomized Controlled Clinical Trial
16.	Dr. Syeda Zamurrad Fatima		A comparative histological evaluation of <i>Trachyspermum ammi</i> (Ajwain oil) with mineral trioxide as direct pulp capping agent. A Preclinical Study
17.	Dr. Sadaf Zahid		Comparison of treatment outcome after using platelets rich fibrin and blood clot as scaffold in regenerative endodontic procedures in non-vital immature permanent anterior teeth: A Randomized Controlled Trial
18.	Dr. Ahmad Tazeem		Comparison of regenerative endodontic therapy outcomes of immature non-vital maxillary anterior teeth using conventional triple antibiotic paste and turmeric as intracanal medicament: A Randomized Controlled Trial
19.	Dr. Saqeefa Mahreen		Comparative histological evaluation of pulpal response and dentine bridge formation in rabbit's incisors after direct pulp capping with calcium hydroxide and chitosan
20.	Dr. Habiba Zahid Khan		Comparative evaluation of apical microleakage of zinc oxide eugenol sealer with glass ionomer sealer, MTA sealer and super ethoxy benzoic acid sealer using gutta percha in root canals obturation

UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in Clinical Sciences (Clinical Dentistry) to be held on **Tuesday, 13th March 2018**, at **11:00 a.m.** in University of Health Sciences, Lahore.

AGENDA

Sr.No	Name of Candidate / Speciality	Supervisor	Title
21.	Dr. Waqar Ahmed Wani M.D.S Operative Dentistry	Prof. Sohail Abbas Khan Professor of Operative Dentistry Lahore	Comparison of sealing ability of biodentine, bioactive bone cement and mineral trioxide aggregate as furcation repair material: A die extraction in-vitro study

UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in Clinical Sciences (Clinical Dentistry) to be held on **Tuesday, 13th March 2018**, at **11:00 a.m.** in University of Health Sciences, Lahore.

AGENDA

Sr.No	Name of Candidate / Speciality	Supervisor	Title
22.	Dr. Waqar Ahmed Wani M.D.S Operative Dentistry	Prof. Sohail Abbas Khan Professor of Operative Dentistry Lahore	Comparison of sealing ability of biodentine, bioactive bone cement and mineral trioxide aggregate as furcation repair material: A die extraction in-vitro study

UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in Clinical Dentistry (Operative Dentistry) to be held on **Tuesday, 15th June 2021**, at **11:00 a.m.** in University of Health Sciences, Lahore.

AGENDA

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
23.	Dr. Humaira Siddique M.D.S. (Operative Dentistry) Revised	Dr. Shazia Naz Assistant Professor of Operative Dentistry de'Montmorency College of Dentistry, Lahore	Histological evaluation of pulpal response and dentine bridge formation in rabbit's incisors after direct pulp capping with lithium chloride in comparison with calcium hydroxide
24.	Dr. Iqra Jamal M.D.S. (Operative Dentistry) Revised		Comparative evaluation of treatment outcomes evaluation of <i>Azadirachta indica</i> (Neem) with Mineral Trioxide Aggregates (MTA) as pulpotomy agents in deciduous molars-A randomized controlled trial
25.	Dr. Anam Rafiq M.D.S. (Operative Dentistry)		Comparison of treatment outcomes of two different combinations of antibiotics in regenerative endodontic procedure of immature non-vital permanent anterior teeth due to trauma: A Randomized Controlled Clinical Trial
26.	Dr. Syeda Zamurrad Fatima M.D.S. (Operative Dentistry)		A comparative histological evaluation of <i>Trachyspermum ammi</i> (Ajwain oil) with mineral trioxide as direct pulp capping agent. A Preclinical Study
27.	Dr. Sadaf Zahid M.D.S. (Operative Dentistry)		Comparison of treatment outcome after using platelets rich fibrin and blood clot as scaffold in regenerative endodontic procedures in non-vital immature permanent anterior teeth: A Randomized Controlled Trial
28.	Dr. Ahmad Tazeem M.D.S. (Operative Dentistry)		Comparison of regenerative endodontic therapy outcomes of immature non-vital maxillary anterior teeth using conventional triple antibiotic paste and turmeric as intracanal medicament: A Randomized Controlled Trial
